Dear Dr Mehta:

TITLE: Surface-Selective Direct ¹⁷O DNP NMR of CeO₂ Nanoparticles

Thank you for your recent review and your support as a reviewer for ChemComm.

Do you have an ORCID iD? ORCID (Open Researcher and Contributor iD) is a unique researcher identifier that allows you to link your research output and other professional activities in a single record. If you associate your ORCID iD with your account on our system, and you publish an article in any of the Royal Society of Chemistry's journals, your ORCID will be linked to the article and displayed alongside the final published version. You may also choose to have your ORCID record updated automatically with details of the publication.
To create a new ORCID iD record or to link your user account to an existing ORCID iD, simply click this link: https://mc.manuscriptcentral.com/chemcomm?URL_MASK=e5716ad2d74042e982eebb27610fab6f

As a reviewer you are entitled to a 25% discount on books published by the Royal Society of Chemistry. To receive this discount, enter the promotional code JLREF25 when purchasing from our online bookshop (pubs.rsc.org/bookshop). Please contact booksales@rsc.org if you have any problems.

Thank you for your support as a reviewer for the Royal Society of Chemistry. By providing a review for ChemComm you are part of the world's leading chemistry community.

Best wishes,
James
