Dear Dr Mehta:

TITLE: Aptamer-induced thermofluorimetric protein stabilization and nucleic acid staining by SYPRO Orange dye

I would like to thank you personally for taking the time to provide an especially detailed and thorough report on this submission to ChemComm. I thought it was a really excellent report and I am most grateful to you for taking the time and effort to provide such detailed comments.

I very much appreciate your input on this particular submission, and I look forward to your continued support in the future.

Best wishes,
Dr. Ellis Wilde
