Dear Dr Mehta,

Thank you for your comments concerning the manuscript entitled 'Prediction of protein-carbohydrate complex binding affinity using structural features'. Your review will be forwarded to the editor for his consideration.

I should like to thank you for the time and effort you have put into helping the journal: this is greatly appreciated. I hope that we may be able to call upon you again in the future to help with manuscripts that fall under your area of expertise.

Thank you again.

Best wishes,

Alison
