Dear Dr. Akul Mehta,

Thank you for completing your review report form today.

I am sure you have many demands on your time, and so I do appreciate your assistance. Without the time and effort our reviewers give to Bioinformatics, we simply could not publish the journal. I hope we can count on you for similar assistance from time to time in the future.

Please note that by agreeing to review, you are agreeing to the possibility of transfer of your reviewer comments.

Sincerely,

Peter Robinson
Bioinformatics

We are collaborating with Publons to give you the recognition you deserve for your peer review contributions. If you have opted in to our Publons integration you will receive an email inviting you to claim your review with just a click, if you opted out of the integration but still want to receive recognition for this review simply forward this message to reviews@publons.com to have it added to your Publons profile (forwarding this email will create an account for you if you don't already have one).
